TRACE Certified:

AMG Logistics prides themselves on high standards of anti-bribery and corruption.

What does it mean to be TRACE Certified?

It means that a company completed a comprehensive due diligence process administered by TRACE, the world's leading anti-bribery standard setting organization. Certification by TRACE signifies that you have completed internationally accepted due diligence procedures and have been forthcoming and cooperative during the review process. The successful completion of TRACE-certification demonstrates your commitment to commercial transparency, allowing you to serve as a valued business partner to multinational companies.

April 1, 2016 - March 31, 2017

TRACEcertification ID: TC4152-2567

Alexandra Wrage, TRACE President

TRACEcertification is not a guarantee against past or potential wrongdoing by the certified entity or a guarantee against potential liability. A summary of any red flags identified during the TRACEcertification review is included in the report, but not all red flags preclude TRACEcertification. Companies doing business with this TRACE Certified entity should always request a full copy of the underlying report. To view a complete list of TRACE Certified entities, please visit the TRACE Intermediary Directory at <https://toms.TRACEinternational.org/IntermediaryDirectory>.
