TRAFFIC SITUATION REPORT FROM APM TERMINALS AS AT 02/01/2018.

Dear Customer,

The last 24hrs started out with no traffic along the spine road immediately after our Outgate but the Spine road leading towards NPA Gates has a little bit of traffic, but moving, though slowly.

We had traffic from community extending into Lagos port complex which disrupted serviced/ loaded trucks exiting APMT from about 8:30pm till 10pm.

We were able to service 557 trucks, with a total of 1718 transaction.

Current situation is situation is very encouraging with free exit gate and good inflow of empty/ export trucks but I
