## **TRAFFIC SITUATION REPORT FROM APM TERMINALS AS AT 08/12/2017.**

**Dear Customer,**

**This week has been smoother than the past few weeks about the traffic situation.**

**Although there have been a few instances of slow movement, there has been no gridlock or accidents hampering the in-flow and out-flow of trucks in Apapa.**

**Yesterday we serviced a total of 581 trucks with 1683 transactions; 58% of which were import while the rest were export/empties.**

**The traffic situation is still very smooth today, slow and steady movement to and from the port and outbound Apapa.**

**Please find photos of the current traffic situation below:**
